Helping Young Kiwis Build Skills for the 21st Century

Justine Munro
Inspire Canterbury

9 May 2019

An abstract geometric design on an orange background. It features three white-outlined circles of different sizes. A light orange triangle is positioned such that its right vertex points towards the center of the largest circle. The text 'THE FUTURE OF EDUCATION' is centered within this largest circle.

THE FUTURE OF EDUCATION

Future of work

Future of education

Vision | Kaupapa

All young New Zealanders have the knowledge and skills to succeed in a rapidly changing world of work, and to navigate a lifelong journey of learning and earning

Business

I would love to be able to put time into teaching skills like empathy, collaboration and communication, but at the end of the day, I am tied to your exam at the end of the year, and the marks you get in it.

Y13 History teacher

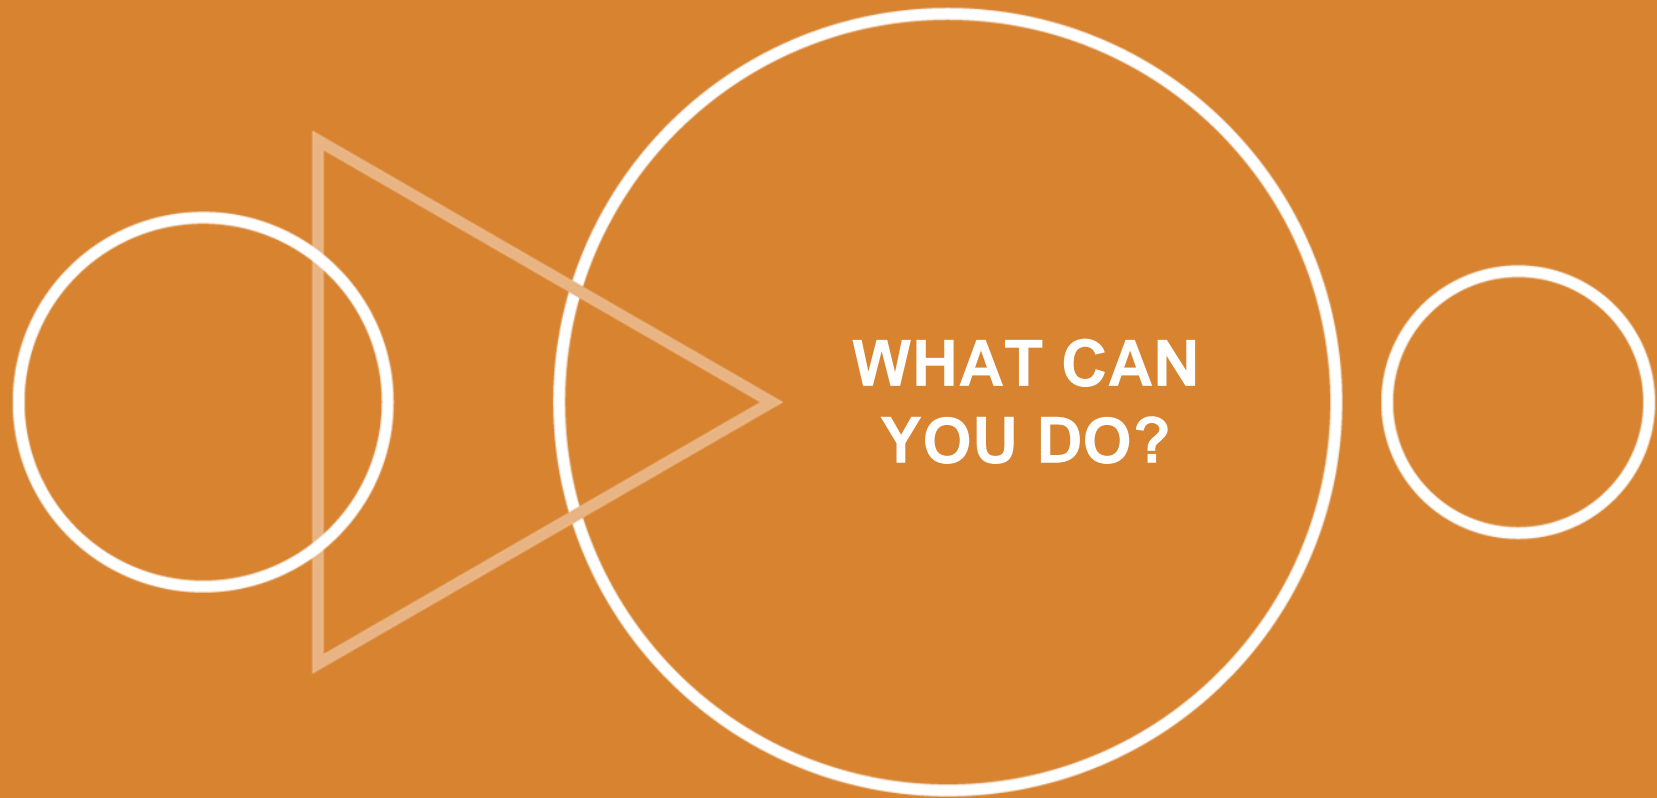

49% of NZ businesses have no contact with the education sector, with only **21%** having links to secondary schools.

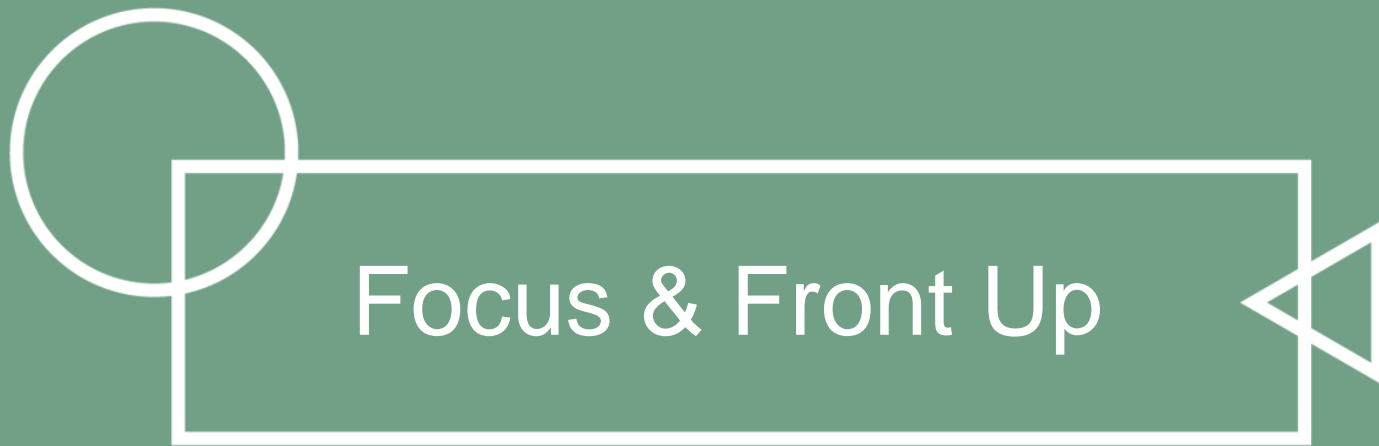

- Only **4%** of NZ employers are satisfied/ very satisfied with the work readiness of school leavers
- **57%** are dissatisfied/ very dissatisfied with school leavers
- **28%** feel the same way about tertiary graduates.

- **86,000** 15 to 24 year olds are NEETs
- **46%** of NZ employers have trouble finding skilled labour

How might we...

Ensure that young people have the learning experiences within school to **equip them with the skills to succeed in work and life?**

A decorative graphic consisting of a white circle on the left and a white rectangle on the right. The circle overlaps the left side of the rectangle. The text "Back the Innovators" is centered within the rectangle.
