

Clearhead's Plans

Clearhead Offers Two Pricing Plans

Lite with limited sessions for smaller teams that need essential support, and **Standard** with configurable sessions, supplementary services, and detailed reporting for larger organisations. Both plans ensure your team gets the care they need.

Business Canterbury members receive a **\$1,200 discount** off both our Clearhead **Lite** and **Standard** plans.

For under 100 employees, **Lite** will have a special fixed rate of **\$1,200 per year**.

For above 100 employees, our **Standard** plan's annual fee depends on organisation size, with the discount applied on the quote.
